E&OE: Under the Distance Selling Regulations 2000 £ we must notify you that our service period begins immediately upon payment/part payment being taken. Subsequently no cooling off period applies and no cancellations or refunds apply to ordered registration marks. We have available registrations from our own stock £ private commission agreements and previously un-issued Dept Of Transport stock. All registration marks are subject to availability and ALL sales are subject to our terms and conditions. Some registration marks are subject to VAT @ 17.5% £ and all numbers are subject to a DOT transfer fee of £80/£105/£160 as appropriate. We buy numbers for cash and have many more available and required.
