Fred. Olden Energy ASA

Dolphin Drilling, a subsidiary of Fred Olsen Energy ASA, is a leading provider of offshore drilling services for the Oil and Gas industry.

## Chief Financial Officer

Dolphin Drilling is currently looking for a Chief Financial Officer to play a key operational finance role within its subsidiary business whilst being integral to the development of the worldwide organisation. Working closely with and formally reporting to the Chief Executive Officer in addition to the Parent Company's Chief Financial Officer you will play a fundamental part in the development and success of the business.

- Professionally Qualified, you will ideally possess hands-on experience within a relevant industry environment.
- You will possess strong financial and management accounting abilities, to include monthly reporting, KPI's, and forecasts.
- Responsible for the preparation of all the statutory accounting information requirements.
- Assessing the quality of reporting and streamlining accounting reporting mechanisms.
- The ability to manage and develop a finance team to achieve world class controls and processes.
- You will demonstrate strong systems experience to include SAP.
- Mobility is key as is the ability to embrace challenge.

This represents an exceptional opportunity for a results focused, commercially aware and driven candidate willing and able to take on the challenges of a dynamic environment. A highly competitive salary and attractive benefits package will be available.

For Further information or an informal discussion, in strict confidence, please contact Amanda Robb:
